

**WACKER  
NEUSON**  
*all it takes!*

# BEST SERVICEABILITY IN THE INDUSTRY

**3-4-5  
WARRANTY**  
LONGEST WARRANTY IN THE INDUSTRY

**FORWARD-TIP CAB**  
FULLY TILTS WITH ARMS DOWN

**NO DPF**  
**NO REGEN**  
LOW MAINTENANCE

**CAB ACCESS AND COMFORT**  
**WIDE DOOR / NO LAP BAR**

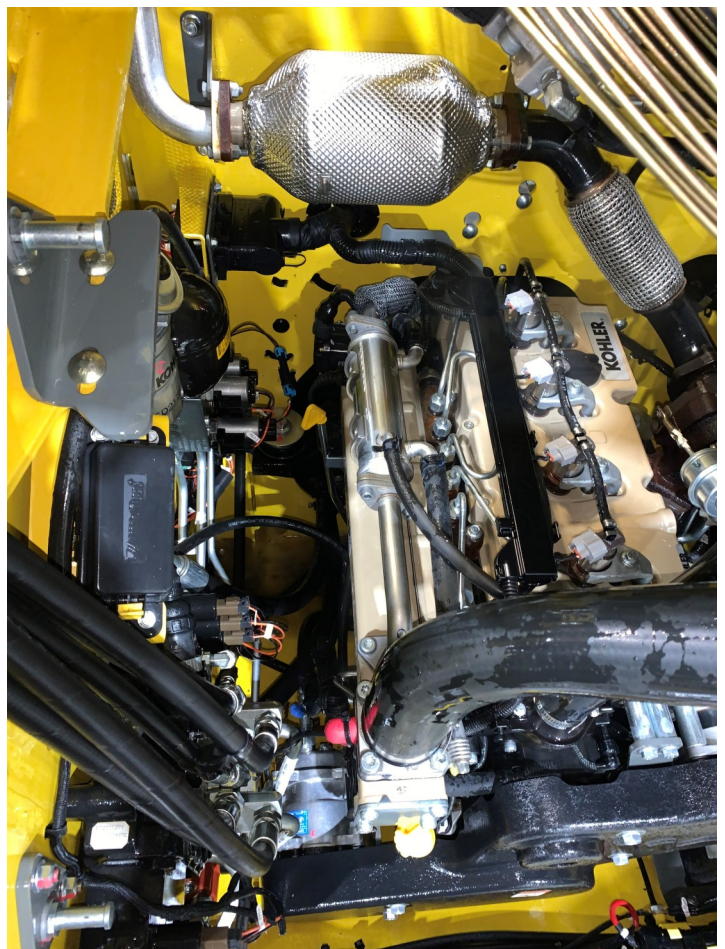

**Wacker Neuson Skid Steers lead the industry in ease of access for service work. With plenty of room to all sides of the Kohler engine, service work has never been easier.**

**Best service access: The one-piece pod style cab fully tilts forward with the arms down, providing complete access to all maintenance components no matter what the situation.**

**Tier 4 Final Kohler engines feature a low maintenance, regeneration-free aftertreatment system, eliminating the impact of extreme heat or the need for filters.**

Forward-tilting cab for easy access - with the arms up or down!

**With the cab of the skid steer / track loader flipped forward, a technician is provided with easy and unrestricted access to the hydraulic system.**
