

NEW EMPLOYEE SPOTLIGHT

DAN SHAFER

Dan Shafer is the newest addition to the Hoffman team in Marlboro, NY as Parts Advisor. Dan was born and raised in Hyde Park, NY and moved to Modena, NY about 15 years ago. He has worked for JESCO for the past 10 years and 6 years were spent as a parts advisor and 4 as the parts manager. He has also worked in the automotive industry and light truck industry.

Dan has experience in auto body estimation, condition reports, service repairs and parts. He brings a great deal of experience in the construction industry, having already had dealings with many of the customers and vendors.

He is looking forward to helping Hoffman Equipment grow in the construction industry, "I always work to make things better every day and never settle for 'average' or 'good enough'."

In his free time, he spends time with his wife and daughter camping and in the outdoors. If not spending time with his family, you can find him working on his current project, a 1938 Ford pick-up or at the golf course.

Welcome, Dan! We are glad to have you!
